-  As our name implies, we sell a lot of seafood. We understand this is a fragile resource, and we take great care to support our local and Australian industries first. When we can't, we choose produce from sustainable, well managed and environmentally sound suppliers.
-  We love families and kids. We want kids to grow up respecting the fact that going out is an adult thing, and as such learn to act in a grown up manner. Please help us in this task and be mindful that the staff is here to serve you, not babysit – and remember all unruly sorts will be used for bait!
-  We offer coffee & brekky Monday to Friday from 7a.m - 11a.m. On the weekends we open at 11am.
-  Bookings are available for groups over 10. We can also cater for functions and offer a corporate catering service to local businesses.
-  Keep up to date with live music, promotions and other happenings by following us on facebook at facebook.com/clancyscanningbridge or by visiting our website www.clancysfishpub.com.au
